

proper propagation of fish close tributaries to the area for their length, not to exceed three at any one time.

SEC. 4. *And be it further enacted*, That it shall be unlawful for any person to hunt upon the area herein referred to, as prescribed in Section 1 of this act without having first complied with all the requirements contained and specified in the game laws of Maryland.

SEC. 5. *And be it further enacted*, That it shall be unlawful for any person to operate any power boat using as fuel gasoline, kerosene or any other liquids or material, except that the Conservation Department may, if it deems it necessary, place in operation power boats of any description or size to be used as police boats. Any person or persons desiring to maintain a boat other than power boats shall be permitted so to do, only after having obtained from the Clerk of the Circuit Court of Garrett County an annual license, and paying therefor as follows:

One rowboat.....\$2.50 per annum

Two rowboats or more for hiring...\$5.00 per boat per annum

Each sail boat.....\$5.00 per annum

together with a fee of twenty-five cents (25c) for each license to the clerk for issuance of same, said license shall specify the number, name and post office address of licensee, size and kind of boat licensed. Blanks for issuing said licenses shall be supplied to the Clerk by the Conservation Commissioner and countersigned by the Clerk who issues same. The Clerk shall fill out the license in duplicate, one to be given to the licensee and the other to the game warden in charge of the area, who shall register all facts thereon in a registration book to be provided by the Conservation Department for that purpose. The said licensee shall plainly display the number of his license in figures at least four inches in height above the water line on both sides of the bow of the boat. The Clerk of Court shall account for the license fees to the Comptroller in the same manner as described in Section 2 of this Act.

SEC. 6. *And be it further enacted*, That it shall be unlawful for any person to build, construct or have constructed or place any wharf, pier, dock, float, or any projection along or running into or over the waters of this area without first obtaining from the Conservation Commissioner of Maryland and the lessors of said area a written permit so to do.
